About Us

Masa Medical Treading is one of the leading companies in Saudi Arabia in the medical field. Masa Medical Treading was established in 2009 and specialized in Dental & dentistry care. Our job is achieved by an experienced and specialized administration in these fields which has more than 10 years of scientific and practical know-how and experience in Saudi Arabia. This allows us to be the most qualified and professional companies in this region. Besides, we concentrate on importing and supplying developed and high-quality materials. Our success lies in our interest in customer service after the selling stage.

Vision:
TO CREATE MILES OF SMILES.

Mission:
TO PROVIDE WORLD-CLASS DENTAL PRODUCTS AND COMPLETE DENTAL SOLUTION FOR SAUDI ARABIA.

Values:
PASSION FOR CUSTOMER SATISFACTION.
